

SD HA Physical SPF44 Sunscreen - \$40

Chemical Free HA Physical Tint SPF 44 is a water-resistant, physical sunscreen that features a moisturizing base with a sheer, universal tint. Formulated as a chemical-free alternative to sun protection, and a great option for even the most sensitive skin types, including post-procedure. Zinc Oxide 10% and Titanium Dioxide 5.5% provide protection against UVA-aging and UVB-burning rays.

SD Sun Protection Powder - \$46

Sun Protection on the go in this lightweight sheer powder that you won't mind reapplying with or without makeup on. Convenient enough to keep on at home, car, and golf bag. Great for kids too!

SD Sheer Physical Sunscreen - \$30

Ultimate broadband spectrum antioxidant sunscreen SPF 50+ and free of chemical absorbers. It's a weightless, residue-free, transparent finish formula with Zinc Oxide 13.75% as its active ingredient. Antioxidants enriched with Green Tea Polyphenols, Resveratrol, Vitamin C, Emblica, and C0-Q10.

Mineral Sunscreen Spray SPF30 - \$30

Lightweight, water-resistant mineral sunscreen mist offers broad-spectrum protection in an effective, antioxidant-rich formula to help fight free radicals and nourish the skin. Its ultra-sheer, fast-absorbing, and fragrance-free sunscreen is enriched with Vitamin E, Green Tea, Pomegranate Extract, cooling Aloe, and soothing licorice & Honeysuckle Extracts.

HydraGlow Tanning Foam - \$40

A streak-free, sunless tanning foam provides buildable color to achieve a natural-looking, that is buildable and sun-safe tan that develops quickly.

Benzoyl Peroxide Acne Wash 10% - \$25

Use this concentrated wash to treat acne and blemish-causing bacteria. A soap-free formula that is safe for most skin types.

Brighten Up Vitamin C Serum - \$115

This clear, lightweight vitamin C brightening serum features an innovative complex of active age-fighting ingredients that work synergistically to visibly improve the appearance of dull and maturing skin. Vitamin C, arbutin, bearberry, emblica and Co-Q10 target and help correct uneven skin tone while vitamins A and E neutralize free radicals, increase firmness, and reduce the appearance of fine lines and wrinkles for a rejuvenated complexion. A patented, time release matrix polymer for normal-dry and compromised/sensitive skin.

Vitamin C+ - \$125

High-potency vitamin C serum designed to improve the look of wrinkles, brighten skin complexion and support the microbiome, while a protective antioxidant (Green Tea Polyphenols) system guards against free radical skin damage. This patented, rapid releasing delivery system is best for normal-oily skin types.

Glycolic/Salicylic Acid Pads - \$25 / \$30

Specially formulated for oily, acne-prone skin or anti-aging available in two strength formulations to choose from. 5% or 10% ultra-pure glycolic acid with the proven keratolytic ingredient, 2% salicylic acid. The pad applicator is convenient and simple to use on a nightly basis after gently cleansing.

Glycolic/Salicylic Acid Spray - \$25

Ultra pure 10% glycolic acid coupled with the proven acne fighting ingredient salicylic acid. Specially formulated to unclog pores and accelerate the removal of dead skin cells that can interfere with the proper oil drainage of the skin. Ideal for face, chest, back, and shoulders areas.

Skin Smoothing Complex - \$40

15% Urea & 15% Glycolic Acid is formulated to provide intense moisturization and replenishment for severely dry skin. Unique combinations of ingredients work together to hydrate and soften dry skin, improving the appearance of keratosis pilaris (KP), psoriasis, and calluses.

Healing Hand Cream - \$16

This quickly absorbed hand cream works deep to protect moisture, relieve itchiness, and soothe dry and chapped hands with an exclusive blend of moisturizing ingredients. The cream is formulated with hydrators (glycerin) that fortify skin's natural moisture barrier for enhanced, long-lasting comfort.

Pore Refining Pumpkin Mask - \$40

Pore Refining Pumpkin Mask combines enzymes and antioxidants from Pumpkin Extract, along with vitamins and minerals in a rich, creamy, self-warming application to reduce pore size and cleanse, hydrate and rejuvenate the skin. Mild formula contains Kaolin to absorb dirt and excess oils, Pumpkin Enzymes to increase cellular regeneration and refine pore size, and time-released Vitamin E micro-beads that activate upon contact with the skin to replenish moisture. Gentle formula complements anti-aging, hyperpigmentation and acne regimens and leaves skin hydrated, refined and radiant.

Environ Skin Essential Clay Masque \$40

Designed to improve hydration while simultaneously removing excess oils from the surface of the skin. The mineral oil contained in this masque acts as a decongestant to soften blackheads and unblock pores while Vitamin E has an added hydrating effect.

Mint Clay Mask - \$25

This mask will help clean and tighten pores while absorbing excessive oils leaving your skin feeling fresh, smooth, and even. Complements treatments for acne, rosacea, and seborrheic dermatitis.

Neck Firming Cream - \$105

Formulated with medical-grade ingredients to support healthy collagen and elastin production to target dry, rough, sagging skin that has lost definition with age. Skin on the neck appears tighter and firmer with continued use.

Detoxify Sulfur Facial Mask - \$40

A breakthrough mask contains Sulfur 10%, White Charcoal Powder, and Kaolin to effectively absorb oils, impurities, and other toxins from the skin yielding a clearer complexion, reducing breakouts, and detoxifying the skin. The powerful combination of ingredients works to draw out all the toxins from the skin, fighting against breakouts.

BioPeptide Growth Factor Cream - \$140

This unique and creative formulation, containing human growth factors, a peptide complex, antioxidants, and other skin-restorative ingredients, combats against signs of aging, enhances the production of collagen and elastin, and rejuvenates skin. Other elements also replenish the skin's fatty acids needed to hydrate the skin, leaving it soft, smooth, and restoring its youthful appearance.

Enriched Bio-Therapy Cream - \$85

Deliver essential nutrients to your skin improving firmness and elasticity with this biomimetic ceramide complex cream containing hyaluronic acid and tetrapeptide-21 that target wrinkles and fine lines.

Triple Antioxidant Cream - \$85

Calm and soothe your skin with this resveratrol, caffeine, and green tea polyphenols cream. Perfect for reducing the appearance of redness, fine lines, wrinkles, puffiness, and pore size.

Lipid Replenishing Hydrator - \$90

This restorative soft cream is specially formulated for facial skin care to replenish essential lipids resulting in total moisture balance. The cream is excellent for normal to dry skin and for use post procedures. The cream can be applied to the face, neck, and chest one to two times daily. If you are using a retinol product at night, you will always use the retinol product first and finish with a moisturizer.

Retinol Eye Cream - \$90

Reduce the appearance of puffiness, fine lines, and wrinkles with this gentle all-trans-retinol cream blended with powerful antioxidants, peptides, and vitamins. It promotes collagen growth, strengthens capillaries, and stimulates circulation, resulting in a brighter, rejuvenated and refreshed look. Using one full pump for both eyes, apply under eye, crow's feet, and brow bone once or twice daily.

Concentrated Retinol Serum 10x - \$120

This serum uses Retinol for cell turnover to treat discoloration, fine lines, wrinkles, pore size and blemishes but with the added benefit of Bakuchiol. Bakuchiol is a botanical ingredient that mimics the effects of retinol but also boosts overall antioxidant activity. This benefits the skin by reducing redness, irritation and dryness that can be caused by retinoids. This combination works to treat and repair the skin in one step. Apply 3-4 drops all over face after cleansing.

Tretinol® Serum - \$90

Patented Retinoid Complex (Tretinol®) including Vitamins C & E encapsulated with a proprietary Trans-Epidermal Carrier to maximize the effectiveness of Retinol's anti-aging benefits dramatically reduce the appearance of fine lines, wrinkles, and deep creases as well as brightens the skin. Exclusive formula works to stimulate cellular regeneration and collagen and elastin production, improving skin grain and tone.

Resurface Retinol Cream - \$85

This all-trans-retinol cream helps to minimize visible signs of aging and improve radiance. It leaves the skin feeling smoother, firmer, and more evenly toned with the help of green tea polyphenols and caffeine USP in a moisturizing base.

Revitalizing Cleanser - \$40

Hydrating, gentle, sulfate and paraben-free cleanser removes makeup, oil and impurities, while it conditions and soothes sensitive skin with rich botanical extracts. Contains a rich, anti-aging peptide complex with 11 botanical essential oils and extracts including Clary Sage, Galanga, and Aloe.

Beta Enzyme Cleanser - \$40

A gentle, sulfate and paraben-free cleanser combines powerful Papaya Enzymes and Salicylic Acid for mild exfoliation of dead cells that lead to clogged pores. This versatile, highly effective formula rinses clean and is ideal for both acne and aging skin regimens.

Gentle Foaming Cleanser - \$40

A mild, sulfate-free, self-foaming cleanser that delivers superior cleansing while remaining gentle on the skin, leaving it soft and smooth. This cleanser also works to provide deep hydration and dramatically reduce irritation commonly experienced with sensitive skin. This cleanser was developed ideally for sensitive or post-procedure skin as it utilizes very mild and soothing ingredients to effectively cleanse and hydrate the skin.

NeuLash Introductory Kit - \$80

NeuLash Professional - \$90

An advanced lash serum that strengthens and revitalizes lashes. It encourages shiny, longer-looking lashes and helps short, brittle, thin or sparse eyelashes become noticeably softer, lusher and longer.

NeuBrow Professional - \$90

This serum is packed with powerful peptides, vitamins, biotin, and botanicals that hydrate, condition and protect brows, promoting strength, suppleness and shapeliness.

Peptide Eye Perfector - \$55

Visibly brightens dull, tired eyes for a more youthful appearance. Improves the look of dark circles, puffiness, sagging skin and fine lines around the delicate eye area immediately and over time
