Brighten Up Vitamin C Serum - \$110

This clear, lightweight vitamin C brightening serum features an innovative complex of active age-fighting ingredients that work synergistically to visibly improve the appearance of dull and maturing skin. Vitamin C, arbutin, bearberry, emblica and Co-Q10 target and help correct uneven skin tone while vitamins A and E neutralize free radicals, increase firmness, and reduce the appearance of fine lines and wrinkles for a rejuvenated complexion.

Teoxane Hydrating Serum - \$190

Fantastic moisturizer! The active ingredient is hyaluronic acid, a naturally occurring substance in the second deeper layer of skin. Hyaluronic acid draws water to itself which makes it a great hydrator without over moisturizing. This serum is a great anti-aging product that has all the peptides and antioxidants that you could ever want.

Derma ET Fusion Buffing Grains - \$36

Very popular! Buffing Grains is an aloe vera-based exfoliating cleanser that helps slough away dead skin and other impurities. Using this cleanser even just a few days a week will leave your skin feeling smoother, softer, and more supple.

Soothing Antioxidant Cleanser - \$36

PH balanced and soap-free foaming cleanser with soothing antioxidants and botanicals to protect sensitive skin. Great for all skin types and perfect for removing excessive oil and makeup without drying the skin.
